AVAILABLE PRODUCTS AND COLORS:

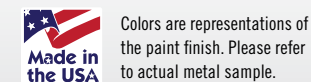

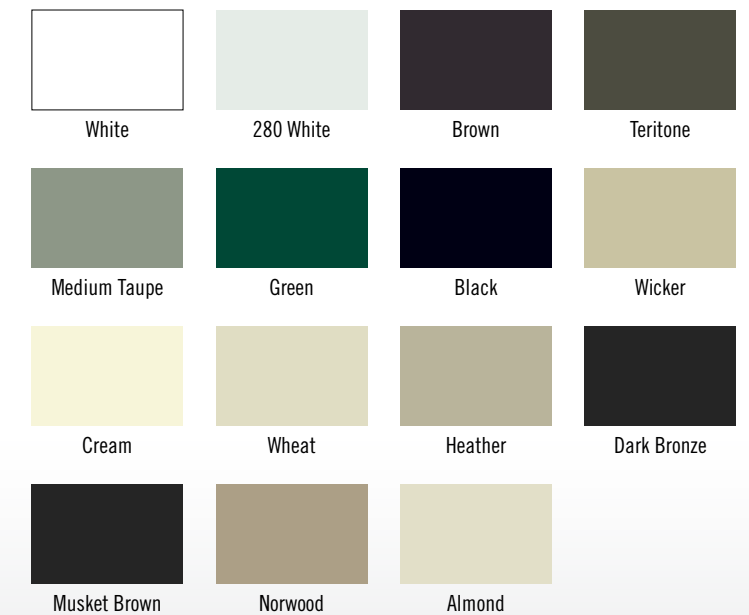

KLAUER CLASSIC ALUMINUM

The Klauer Classic Aluminum Series is formulated with a proprietary high-durability resin for resistance to chalking and fading. Our superior polyester paint system with precision nylon-particle additives enhances the finish with a warm, low-gloss texture and duplicates Klauer steel siding finishes and color options.

KLAUER SELECT ALUMINUM

The Klauer Select Aluminum Series is formulated with a high-durability resin for resistance to chalking and fading as well as exceptional resistance to sun, rain and other natural elements. These polyester paint systems are scratch and stain resistant, providing homeowners with years of maintenance-free performance.

Colors are representations of the paint finish. Please refer to actual metal sample.
