

STEEL SIDING

FOR PEACE OF MIND

TREAT YOURSELF TO THE BEAUTY OF WOOD, THE DURABILITY OF STEEL AND THE FREEDOM FROM MAINTENANCE YOU DESERVE

Improve your home's curb appeal with Klauer. We offer a complete line of steel siding and accessories, aluminum soffit, fascia and rain-carrying products, all made to withstand the elements of any climate. Klauer products are available in a wide variety of color options. Our resilient finish is designed to stand up to intense UV rays that fade most other siding products within a short period of time.

The Klauer Classic™ Steel Siding and Accessories collection is available in 24 solid siding colors to give you design flexibility.

The Klauer Prestige™ Steel Siding and Accessories collection replicates nature in terms of color and texture. Its unique color palette consists of five two-tone shades.

The Klauer Elite Steel Siding and Accessories Collection, available in five attractive colors, adds durability, richness and low-glare, true-color appearance — even on the brightest days and in the toughest elements.

Klauer Aluminum Soffit and Rain-Carrying Systems are available in 24 colors, allowing you to match or contrast your home's exterior, for envied curb appeal.

THERE'S NOTHING BETTER

Klauer steel siding is made from the finest materials to ensure the most dependable siding available in the industry today. Our steel siding is more durable than vinyl, aluminum, wood or fiber cement. Klauer

steel siding is tough because it's made of a heavy-gauge steel and finished with a durable, long-lasting coating that resists cracking, peeling, flaking, blistering, chipping, fading and so much more.

ENVIRONMENTALLY RESPONSIBLE
STEEL

At Klauer, we value eco-friendly manufacturing practices. Steel is the most recycled material on the planet, more than all other materials combined, and can be recycled repeatedly without loss of strength.

Klauer premium collections are created with Cool Paint Technology™, which offers superior performance by using reflective pigments to help reduce energy consumption.

Our silicone-modified polyester paint systems are baked in high-temperature ovens during a continuous coil-coating process. As a result, our steel siding exteriors perform better than alternatives like vinyl, wood and pressed-composite products with pigmented PVC or postproduction-applied coatings.

WEATHER PROTECTED

Klauer's world-class coatings are harder and more scratch- and stain-resistant than any other product—and they're backed by the most comprehensive warranties in the industry. Our tough proprietary finish prevents stains, keeps surfaces cleaner and repels water, oils and other elemental factors.

WARRANTY TOUGH

To give you added peace of mind, we back our steel siding collections with a no-nonsense Limited Lifetime Warranty, which includes a 35-year limited chalk-and-fade guarantee and a hail-protection warranty.

WORRY FREE

Klauer Steel Siding and Accessories are virtually maintenance free—just a quick rinse with a garden hose will keep your exterior siding looking clean and beautiful. You'll never have to paint or stain your home again.

TOUGHNESS NEVER LOOKED SO GOOD

Want to improve your home's curb appeal with a look that's vibrant *and* resilient?

Klauer steel siding looks great—and it's finished with a durable, long-lasting coating that resists cracking, peeling, flaking, blistering, chipping, fading and more.

And you can choose from three distinct ceramic hybrid finishes.

CoolPaint
TECHNOLOGY™

KLAUER *CLASSIC* FINISH

The Klauer Classic Steel Siding and Accessories collection is available in 24 solid siding colors.

BENEFITS:

- › Two-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Modified with silicone for exceptional roll-forming performance
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- › Precision nylon-particle additives enhance the finish with texture
- › Highest-quality exterior grade and ceramic pigmentation amplifies long-term color and gloss retention
- › Limited lifetime warranty paint system

KLAUER *ELITE* FINISH

The Klauer Elite Steel Siding and Accessories collection is available in five attractive colors. Klauer Elite adds durability, richness and low-glare, true-color appearance—even on the brightest days and in the toughest elements.

BENEFITS:

- › Two-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Modified with silicone and high-performance wax for exceptional roll-forming performance
- › Proprietary wrinkle-textured finish provides a warm and low-reflective finish that retains color richness in the brightest direct sunlight
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering, plus exceptional impact-resistant properties
- › Limited lifetime warranty paint system

KLAUER *Prestige* FINISH

The Klauer Prestige Steel Siding and Accessories collection replicates nature's colors and textures. Its unique color palette consists of five two-tone shades that create the look of naturally stained wood.

BENEFITS:

- › Four-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- › Custom-designed, woodgrain-print overlay enriches and adds depth to our modern, real-wood look and top-of-the-line finish
- › Final application of polyester clear coat adds superior protection against scratches, dirt retention and staining
- › Limited lifetime warranty paint system

SIDING PROFILES

- › DOUBLE 4
- › DOUBLE 5
- › D5 DUTCH LAP
